**IN THE**

COFFMAN MEMORIAL UNION  
UNIVERSITY OF MINNESOTA

Dinner 6:30 P. M.  
Rooms 351 and 352

Technical Session 7:45 P. M.  
Men's Lounge, Second Floor

Mr. Comstock graduated from Yale University in 1917. Previous to his present connection, he has been successively Metallurgist for the American Hardware Corp., Metallurgist and Manager of International Silver Co., Director of Research, Firth-Sterling Steel Co., and Assistant Manager of Research and Development, Handy & Harman, Bridgeport, Conn.

Mr. Comstock, who is an outstanding consultant in the field of powder metallurgy, will describe the development of iron powder molding as well as present day methods of production and characteristics of finished goods.

Dinner charge 65 cents. A door prize, consisting of any technical book published by the Society, listed at $5.00 or less, will be awarded from the reservation cards received.
