TSS President, Awards, and Past Chair Night April 17th

Luc Pouliot, COO, TECNAR Automation Ltd.
Thermal Spray Society President

MN Chapter ASM’s annual business meeting on
Wednesday, April 17th at the Green Mill in Plymouth,
MN brings various awards and recognition for the
chapter and its members. Our chapter will honor past
chairmen, present two outstanding Winona State Uni-
versity students with scholarships, and distribute mem-
bership recognition awards. In addition, Luc Pouliot,
president of the Thermal Spray Society will present
Professor Joachim Heberlein, FASM, professor emer-
itus, University of Minnesota, with the TSS President’s
Award for Meritorious Service.

Biographical Information
Luc Pouliot received a Physics Engineering degree
from Ecole Polytechnique of Montreal in 1992 and a
Masters degree in Microelectronics in 1994. He worked in the micro-electronics
field and joined TECNAR Automation Ltd. in 1995. In 2009, Luc was appointed
Chief Operating Officer. Luc served as ASM’s [affiliate society] Thermal Spray
Society’s vice president from 2010-2012, and now is serving as president until
October 2014.

Title
“Advanced Sensing Techniques Applied to Industrial Process Control in the Aero-
space, Tube making & Galvanizing Industries”

Luc Pouliot will talk about applications of laser ultrasonics and infrared pyrometry
to the characterization and control of industrial processes.
