Tour Lake Region Medical
Wednesday, September 21st, 2016

On Wednesday, September 21st, join ASM Minnesota Chapter as we tour Lake Region Medical in Chaska, Minnesota.

Lake Region Medical, an Integer company, develops and manufactures medical devices and components for the Cardio & Vascular and Advanced Surgical markets, including solutions for electrophysiology, vascular access, cardiovascular, urology, oncology, orthopedics, laparoscopy, biopsy/drug delivery and arthroscopy. The tour involves guidewire manufacturing processes like wire straightening, grinding, laser welding and machining technology. Overview of finished medical device facilities – clean rooms, post processing like coating technologies and testing lab will also be part of the tour.

Register for the tour by going to www.mnasm.org by Friday, September 16th. Lake Region Medical reserves the right to refuse competitors from touring their facility. There is no charge for the tour. Following the tour, you are welcome to dinner “on your own” at The Crooked Pint, 3210 Chaska Blvd., Chaska, MN 55418.

(More information on Page Two)
**Meeting Information**

**Reservations:** It's important to make reservations and equally important to make reservations EARLY for planning purposes. Reservations for the meeting are due on Friday, September 16th at 12:00 PM, and they can be made by going to [www.mnasm.org](http://www.mnasm.org).

**Refunds:** N/A for 9/21/2016. Refunds are not provided after the reservation due date because we are charged for it. If payment is not made online at the time the reservation is made or at the door during check-in, you will be invoiced for the reservation.

**Payment:** N/A for 9/21/2016. When you arrive, you or your company may pay by credit card, cash, or check made payable to “ASM MN Chapter.” Discover, Master Card, Visa, and American Express are accepted. Payment is due at check-in.

**Membership:** For ASM Minnesota Chapter membership, contact one of the board members, email [joyclifford@comcast.net](mailto:joyclifford@comcast.net), or go to [www.asminternational.org](http://www.asminternational.org). It is equally important to keep your profile updated and to not let your membership lapse.
