G. D. WELTY

Engineer, Aluminum Company of America
Cleveland, Ohio

WILL SPEAK ON

"LIGHT ALLOYS AND THEIR APPLICATION"

(Illustrated by Motion Pictures)

TUESDAY, APRIL 15, 1941

IN THE
COFFMAN MEMORIAL UNION
UNIVERSITY OF MINNESOTA

Dinner 6:30

Technical Session 7:45

Rooms 351 and 352

Men's Lounge, Second Floor

Mr. Welty will cover the general subject of aluminum and its more important applications in the aircraft industry. The moving pictures will illustrate the processes involved in the reduction of the metal from its ores and many of the commercial fabricating practices.

This meeting should interest every one of our members for the situation in regard to aluminum is critical in our national defense program.

A door prize consisting of any one of the books listed by the National Society, costing not more than $5.00, will be awarded from the reservation cards received by noon Tuesday, April 15. Dinner 65 cents.
