Schenectady, N. Y.

will discuss

"POWDER METALLURGY"

THURSDAY, OCTOBER 19, 1939
MINNESOTA UNION, UNIVERSITY OF MINNESOTA
DINNER 6:30 P.M., ROOM 201
TECHNICAL SESSION 8:00 P.M., ROOM 110

Mr. Wyman is one of the pioneers in the relatively new field of powder metallurgy, and is largely responsible among other things for the development of spot welding electrodes. He will be one of the speakers at the National Metals Congress in Chicago October 23 to 27 on the program of the American Institute of Mining & Metallurgical Engineers. He is also a prominent member of the American Society for Testing Materials. Mr. Wyman is a graduate of the University of Minnesota and was a leader of its band.

You can park anywhere on the Campus except on 15th and 17th Streets S. E.
