FIRST MEETING — PRESENT SEASON

Lewis S. Bergen
Associate Director of Metallurgy and Research
CRUCIBLE STEEL COMPANY OF AMERICA
New York

WILL SPEAK ON

"N. E. (National Emergency) STEELS"

THURSDAY, SEPTEMBER 10, 1942
AT THE
ST. ANTHONY COMMERCIAL CLUB
210 Central Avenue, Minneapolis

Smorgasbord 6:30 p. m. Technical Session 7:45

Here is a chance to get up-to-date on the very important problem of emergency steels which is confronting many manufacturers.

Mr. Bergen is one of the outstanding authorities upon his subject, and is particularly well qualified to supply the latest information upon it.

Graduating from the Lehigh University School of Mining and Metallurgy in 1925, he became connected with the Bethlehem Steel Company. Three years later he joined the Crucible Steel Company of America, and is now Associate Director of Metallurgy and Research.

SMORGASBORD (the best ever) 75 cents. Reservation card is enclosed. Bring some of your associates.
